Ridglea West Animal Hospital
Kennel Boarding Form

Boarding at Ridglea West Animal Hospital

It is the policy of Ridglea West Animal Hospital to provide conscientious, affectionate, and individual care for each animal left in our trust. Animals are fed twice a day or according to owner's instruction. Special medications can be administered. Dogs are walked outside twice a day.

Ridglea West Animal Hospital, its agents and employees exercise reasonable care to prevent loss, injury, illness, or death of animals in their care. If such an event were to occur, a reasonable attempt will be made to contact you. However, if we are unable to contact you, hospital staff will initiate such treatment as deemed appropriate by the doctor without your prior approval. Medical expenses incurred are the responsibility of the owner.

All pets must be current on their vaccinations and be clean and free of fleas and other external parasites. A stool check is performed on all boarding animals. If your pet has fleas or other parasites, treatment will occur at owner's expense. Animals soiling themselves are bathed at the owner's expense.

Checkout time is at 2:00 pm unless your pet is bathed or groomed. Later pick-ups are charged ½ day boarding.
